

HAVE FUN WITH CHINESE

Ni Hao! Join us to get a taste of one of the world's biggest and most complex languages - Mandarin Chinese.

Learn how to introduce yourself, greet others, and talk about your interests in this 12-class introductory course. You will meet your native Chinese-speaking teacher live on Zoom each week, along with a small group of other students, to practice speaking and listening, and to discuss Chinese culture. Expect to interact, learn a lot, and have fun.
